Globally Recognized Nursing Qualifications

Bachelor (Hons) Nursing Sciences (BNS) (A7331)

Master of Nursing (MN) (KA10238)

School of Nursing & Allied Health Sciences

Established in August 2000, Open University Malaysia (OUM) is the seventh private university in Malaysia. OUM leverages on the quality, prestige and capabilities of its owners - a consortium of the 11 Malaysian public universities.

OUM programmes are designed by experts from the industry, academia and professional bodies and are approved by the Malaysian Qualifications Agency (MQA), formerly known as National Accreditation Board (LAN).

International Institute of Health Sciences (IIHS), Sri Lanka's premier healthcare training institute (International Centre of OUM) collaborating with Open University Malaysia provides access to Sri Lankan Nurses to get up to date knowledge and skills in nursing by introducing the following courses with the view of uplifting "Nursing" as a profession in Sri Lanka and to bring our Nursing profession on par with international standards.

RECOGNITION
